to bless you both - you ever loving Sybil

1019 S. Figueroa St
Los Angeles - Cal.

January 5th - 1904.

My dearest Minnie -

I have just received
your long looked for letter -
I have written twice to you
once to your old address in
January & once to St Petersburg
to the address Marion sent
me at my request -

Minnie dear don't you know

me well enough to know that
I could not ^{be} such an ungrateful
pig as to be offended with
you for your sweet generosity?

I hope that nothing may ever
come between us - you, dear
Kathleen & myself - that you
may always think of me as
this daughter & ever the same
old Sybil - I have no time
for a letter to-day - but
feel I must just send this
note - that you may not

think me so ^{large} that I am offended -
I felt so badly at not being able
to write to you & dear Kathleen for
some, but so I had mislaid a letter
from Ellen giving you address &
also having failed to get a reply to my
last address to St. Petersburg I thought
I would wait knowing that you would
let this time of year go by without
writing - It is so my heart goes a
man of all you doing & the dear child's

success - He surely must see
a know it all!

I have been through some
"frise" times down here -
both mentally - physically &
financially - my "in-laws" not
having kept to their word as
to helping me - however
I have managed to come through
somehow - I will write at
length just as soon as I
can get some spare time -
Meanwhile accept my heartfelt
good wishes for your success, health
& prosperity in the coming year.
